Official statement

Concerning the recent news regarding Kobayashi Pharmaceuticals, we at NIHON KEFIA, would like to issue an official statement.

These dangerous ingredients, Red yeast rice, have never been used in, or around NIHON KEFIA's products. As always, safety is our utmost priority. And therefore all of our ingredients have been, and will continue to be, only ones that are supported by and proved safe through clinical trials. We thank you for your continued trust and support.
